

ITF TRAINS 56 STAFF OF NAFRC

The Industrial Training Fund (ITF), has implemented a Trainers Development Workshop for staff of the Nigerian Armed Forces Resettlement Centre (NAFRC).

The programme, which was organised by the Isolo Area Office, was designed to train the Centre's instructors to be skilled in the art of training other trainees and to further enhance their facilitation skills.

Speaking at the closing ceremony of the two-day workshop, the Director General of the Industrial Training Fund, Sir Joseph N Ari who was represented by the Area Manager, Lagos Island Area Office, Mr Thomas Olaniyan Jacob, urged the participants to take advantage of all they have learnt in the course of the workshop to be better trainers than they previously were.

Also speaking at the ceremony, the Area Manager, Isolo Area Office, Mrs Stella Ogbuishi admonished the participants to be more professional in carrying out their duties as trainers, and encouraged them to keep seeking ways to improve on their skills.

Appreciating the ITF, the NAFRC Commandant, Air Vice Marshal A S Liman stated that the two-day workshop delivered by facilitators from the ITF, has made NAFRC instructors better informed and skilled on the various methods of modern instructional techniques and hands-on requirement which, he said would determine the approach they employ henceforth in delivering their trainings moving forward.

Vice Marshal Liman also lauded the synergy between NAFRC and the ITF, adding that workshops such as was implemented would strengthen the already existing cordial relationship.
